Sometimes it's the little ideas that manage to change the world:

For more than 5 years the section Chemnitz-South of the German radioamateurs organization DARC has contact to the SOS childrens village in Zwickau (SAXONIA) and supports it with donation and numerous activities. For this reason, we renewed our present certificate - SOS Childrens Village Award - as the now so called "KIDS-Diplom" (KIDS means **Kinder**dorf in **Sachs**en/Childrens village in Saxonia). We also will work our special callsign (DM20KIDS) that gives you 10 points for the certificate.
